**Our Blessed Mother. God the Father. The Offering Pleasing to Me.**

*(This Message was dictated to Sister in Spanish, and this is her translation into English.*

*NOTE: The footnotes are not dictated by God. They are added by Sister. Sometimes the footnote is to help clarify for the reader Sister's sense of the meaning of a certain word or idea, and at other times to better convey the sense of God's or Our Lady's tone when They spoke.)*

*Note from Sr. Amapola: For some days I have had the sensation that there would be a dictation regarding the Holy Mass. And, together with this sensation that is difficult to put into words, a call to make a special act of adoration for this great Mystery of His Love.*

*(Our Blessed Mother)*

My children, My little ones, My soldiers –

Take a moment in silence with Me.

In the silence of contemplation and adoration.

(Pause)

Kneel down in your spirit, prostrate with Me before the Divine Mystery, laying aside your thinking, your wanting, your doing, in order to be clothed through Faith, Humility, and Obedience, with the Thinking, Willing, and Acting of God.

Come, children, and in the silence of Love adore with Me the Lamb Who was Slain, My Lamb, My Jesus, Incarnate in My Womb by Divine action, before Whom all creatures in Heaven and on Earth and under the Earth must prostrate.

Silence, children, before your God, before your Father Who speaks to you, Who loves you.

(Pause)<sup>1</sup>

--

*(God the Father)*

CHILDREN,<sup>2</sup>

Yes, silence.

It is I, your Father, Who sees all, hears all, knows all, understands all.

I ask for your silence before My Mystery.

---

<sup>1</sup> These two pauses are moments of silence that are full of adoration. When we say “silence” we imagine “nothing,” “empty.” But this is a very different silence – the silence that is so full of God, so full of the adoration by all His creatures. I do not know how else to express it. And in this case it is full of the adoration and the love of Our Blessed Mother for God. I do not know how these things are communicated to the soul, but it is a perception that does not happen through the senses, but rather is communicated directly to the soul.

<sup>2</sup> This word was said with much authority, as if calling each child of His to pay attention.

The silence that is humility, that is Faith and trust, that is Love.

The silence in which the soul recognizes its littleness before My greatness and bows down in adoration; the silence in which the soul lays its head on My Fatherly Heart.

The silence in which the soul who has fought and suffered for My Name rests in the caress of My Love.

Children, how much you need this silence. The closer the Hour draws near, the more you are in need of this silence; it is indispensable to you in order to continue in the battle and be able to listen to Me in the midst of the enemy's whirlwind that becomes more and more thunderous.

Give Me your silence. Place your ideas, your reasonings, at My feet, before My Throne. And let My Light, My Thought, My Actions take their place.

Of what use is a sword, if it does not let itself be moved by the arm that holds it? It becomes a danger.

Of what use is a pen, if it does not write what I want?

Children, if you wish to be My instruments, you must do what My Jesus did: He stripped Himself ENTIRELY of Himself – BEING GOD HIMSELF – in order to do, say, and think ONLY WHAT I ASKED OF HIM.

**Imitate My Jesus.**

Children, how many questionings, opinions, discussions you have among yourselves, causing so much sorrow, lacks of faith, displeasures, and distractions.

This is why, children, I repeat to you – TO ALL OF YOU – be silent.<sup>3</sup>

Gather around My Throne, around My Heart. Prostrate your reason and your emotions and your pride before the footstool of My Throne.

AND RECEIVE MY LIGHT. The Light that I give, that comes forth from My Heart to illuminate yours.

(Pause. I perceive that this first part is a preparation for what He is now going to say.)

Children, the Most Holy Sacrifice of the Altar is in danger. In the greatest danger.

Do you know what the danger is, the greatest attack?

It is not the blasphemies, nor heresies, nor all the attempts to profane it.

---

<sup>3</sup> The exact translation of the phrase in Spanish would be to “make silence.” I understand this to mean not so much the physical act of not speaking, but rather the act of trying to silence our mind, heart and will – the interior silence that Our Blessed Mother spoke of at the beginning of this Message.

IT IS THE LACK OF FAITH and THE CONTAMINATION OF REASON.

This, children, is what destroys this Great Mystery in your souls, what renders It ineffective in its human part.

It is an extremely subtle attack that you have been unable to understand, or you understand only partially.

What is the Holy Mass?

The Most Perfect Offering of My Jesus, Who, taking on Immaculate Flesh, humbling Himself completely, obeying Me in everything, bearing with everything out of love for you and for Me, takes upon Himself all the hatred and mockery of Satan, paying with His Most Pure and Precious Blood your redemption from the slavery of sin.

It is the Mystery of the Divine Word made Flesh to give you My Love, My Word, My teachings, My Will, to teach you how to live and how to die.

The Mystery of the Eternal Love Made Flesh Who dies in the midst of pain and abandonment in order to gather My children in My Heart once more.

There are no words, children, that could communicate to you in your present condition, ALL that is contained in what My Jesus has done for you out of Love for Me.

THE OFFERING PAR EXCELLENCE.

THE GREAT JEWEL BEYOND ALL PRICE.

Each Mass that is offered, that you offer, is nothing other than the union with this Offering.

It is not a “banquet.” It is not a “party.” It is not a “gathering.”<sup>4</sup>

IT IS THE OFFERING OF MY JESUS that is made present so that each of you can unite in Faith and in Truth your own offering, and offer to Me, together with

---

<sup>4</sup> These words could scandalize some. But what I understood is that – while the Mass is certainly a participation in the Eternal Banquet of Heaven (see Catechism of the Catholic Church, 1323; 1382; 1391; 1402; 1408), and it is also certainly the gathering together of His children to offer Him praise and worship (CCC, 1097; 1346; 2179), and it certainly brings about communion with one another and Communion with God (CCC, 1102; 1325; 1329) – none of this can take place without the completion of the Sacrifice of Jesus on the Cross. One cannot participate of Heaven, of true Communion with God, without the offering of Jesus’ Sacrifice on the Cross. God the Father is showing us the ESSENCE, the FOUNDATION. The SOURCE of the Banquet, of Communion. He wants us to have this foundation well established in our soul. Then He can build the rest.

When He said the words that are in quotation marks, the tone of His Voice became more like a whip. As if He were seeing them in the context in which they have so often been currently used to lessen the Sacrificial character of the Mass. The problem is not the words themselves nor their true meaning, but rather the way they have been used and manipulated to change and lessen Faith in the Holy Mass.

My Jesus, your adoration<sup>5</sup>, your obedience, your love, accepting in justice what I send you, what I ask of you.

It is to enter for one instant into the Divine Mystery and to participate in the Love between My Jesus and Me.

How can something so immense be contained in a human action? Impossible, except through Faith.

Do you see, children, why then, the attack that can “destroy” the Holy Mass is an attack on FAITH?

This is why I insist on FAITH, on the need for a SIMPLE and HUMBLE FAITH, in order to receive My Light, My Mysteries, and let Them bear Their fruit in you.

The ESSENCE of the Most Holy Sacrifice of the Altar, of the Holy Mass, is what My Jesus did and said.

His Words and Actions in that HOUR.

Do you understand?

Beyond the gestures and rites and practices.

What did My Jesus do and say?

This is the essence. The JEWEL.

The rites are like the different rings<sup>6</sup> in which this JEWEL is placed in order to be taken before the world and be presented before My Throne.

The JEWEL is eternal, unfading, indestructible. No attack can destroy it.<sup>7</sup>

Reflect then, children, on what this ring that surrounds such a JEWEL should be.

What is the purpose of the ring? To manifest the beauty and the value of the JEWEL, and to protect it.

The ring must be made of precious and resistant material – capable of withstanding blows, scratches, dirt, heat, cold.

It is not the ring that gives value to the JEWEL, but rather the JEWEL that makes the ring useful.

The ring without the JEWEL is nothing more than a piece of metal.

---

<sup>5</sup> I understood this to mean not that Jesus offers adoration to the Father, but rather that in Him, with His help, through His Offering, we adore the Father.

<sup>6</sup> I understood the variety of rings to be a reference to all the different rites in which the Holy Mass is offered. (For example, Roman, Byzantine, Maronite, Syro-Malabar, Ambrosian, etc.)

<sup>7</sup> The JEWEL itself cannot be destroyed, but our faith in the JEWEL can be destroyed.

Children, be on guard.

Do not lose sight of the JEWEL, distracted by the ring.

How many modifications and additions have been made to the rings with the passing of time – some with good intention, some out of ignorance, and others through malice and pride.

Do you wish to know which is the Perfect Ring?

The Perfect Ring is the Immaculate Heart of Mary, the Pearl of God, the Joy of Heaven.

No one has been present as She has, united to the OFFERING as She has, guarded this JEWEL as SHE has.

This is why, My Priest sons, if you wish to offer the Holy Mass worthily you must be united to Her Heart.

My children all, I show you the Essence, HOW I SEE, so that you do not become distracted and become prey to the reasonings that are so easily manipulated by the enemy.

LOOK AT THE ESSENCE, CHILDREN. CONTEMPLATE IT, LOVE IT. AND ONLY IN THIS WAY will you be able to offer Me the Most Holy Sacrifice of My Jesus, and only in this way will His Sacrifice be able to produce the fullness of Its Fruit.

My children, it is not possible to fully appreciate nor understand here on earth this GREAT MYSTERY OF LOVE, OF MERCY, and OF JUSTICE.

But I show you what you need in order to be able to unite yourselves to this MYSTERY – TO MY HEART – AND TO LIVE IN ME.

What do I require from each of you? How do I desire that you offer Me the Holy Mass?

Looking at My Jesus. Loving Him and imitating Him, together with Mary Most Holy. Uniting your heart to Theirs. Offering yourselves to My Love. Offering to Me your sorrows and pain and that of your brothers. Offering yourselves with My Jesus as an offering of Love, Obedience and Reparation.

This is the Offering that pleases Me, children.

In the same way that I see you beyond appearances, so I desire that you see this Mystery as well.

Children, remember that **I** will renew **EVERYTHING**.

Even the imperfect rings that hold the JEWEL without price.

Yes, children, some rings are in better condition than others; they are made of better materials.

But all, children, have been contaminated by reason and by the lack of Faith.

This is why I say to you, LOOK AT THE JEWEL. LOOK AT THE ESSENCE.  
Do not be confused.

What I need in this Hour from you, children, are not perfect rings, but rather perfect FAITH. Absolute TRUST. LOVE without fear. That you give Me what is rightfully Mine: your adoration, your trust, your filial love.

FAITH, HUMILITY and OBEDIENCE.

The rest, children, I DO.

I accomplish it in you, through you, with your cooperation.

But IT IS I WHO ACCOMPLISH IT.

Be at Peace.

Silence your minds so that you can receive the Light that you need now in order to walk led by My Hand.

My children, your Father loves you. Do not be afraid.

“Leave everything” and follow Me.

Leave behind your thinking, your human will, your criteria, your pride, your plans.

Clothe yourselves with My Jesus.

Cover yourselves with the Mantle of your Mother and Queen.

Repeat the Name of My Jesus.

Remember what My son Thomas<sup>8</sup> understood at the end of his life: that all human knowledge, all understanding, all reasoning and argument, is nothing – straw – before the Majesty, Immensity and absolute simplicity of MY TRUTH.

Do not be anguished.

THE TRUTH is not an idea. I MYSELF AM THE TRUTH.

And this TRUTH loves you (smile) and gives you all that you need.

Give Me your love, your “everything,” and be at Peace.

I LOVE YOU, children.

Be on guard. You know neither the hour nor the day on which I will come. BUT I DO. This is why I say to you: be on guard.

I leave you My Blessing and My smile.

---

<sup>8</sup> St. Thomas Aquinas.

Courage, My children, My soldiers.

YOU ARE NOT ALONE.

I, YOUR GOD, KEEP WATCH OVER EACH OF YOU.

Your Father Who loves you.

Your God Who bends down to care for His little ones. +

(Our Blessed Mother)

My little children,

Gather these Words into your heart, and together with Me, welcome them; and with Me adore the Father, My Jesus, and the Divine Love, for Their Love for their little ones.<sup>9</sup>

**Most Holy God, Father, Son and Most Holy Spirit of God,  
We love You, we adore You, we accept Your Will, Your Desires.  
May it be done unto us according to Your Word.  
May the luminous Faith that You so love reign in us.  
Blessed may You be, Lord Our God, in Heaven and on Earth,  
And for all ages. AMEN.**

Amen, My children.

As I said at Cana, I say to you again:

**“Do whatsoever He tells you to do.”**

Amen.

Your Mother loves you.

(smile)

<sup>9</sup> As at the beginning of this writing, Our Blessed Mother spoke gently, slowly, with so much reverence and love. Like a gentle breeze that calls our hearts to go up with Hers in a profound and at the same time so very simple act of adoration to the Father.
