God the Father. "Be on guard. Remain with Me."

(This Message was dictated to Sister in Spanish, and this is her translation into English.

NOTE: The footnotes are not dictated by God. They are added by Sister. Sometimes the footnote is to help clarify for the reader Sister's sense of the meaning of a certain word or idea, and at other times to better convey the sense of God's or Our Lady's tone when They spoke.)

Children of My Heart,

LISTEN.

Your Father speaks. Your God thunders.

Truth descends to give you Light.

SILENCE,¹ children.

The more violent the storm becomes, the more you must make silence² in order to be able to listen. And the more the storm appears to lessen, the more you must be on guard and in silence, attentive to ME.

ON GUARD, children.

I have said it to you before and I repeat it to you now:

BE ON GUARD. BE ON GUARD. BE ON GUARD.

The battle has not ended. The hatred against Me has not ceased. The blasphemies have not ceased to be uttered. The heresies have not ceased to be pronounced.

ON GUARD.

Consider, children. Can the branches that – by their own will and with an intent to destroy the tree – have separated themselves from the trunk produce any fruit? For a time they will have the appearance of life, but the Sap – My Sap, Truth – no longer runs through them and they are incapable of producing fruit. And, being torn from the trunk, being separated from the Sap, they leave wounds that can quickly become infected.

¹ What I understand by this silence is the interior recollection and the quieting of our thinking in order to listen to God. It does not refer to an external silence in which we remain silent before the evident problems that exist today.

² This expression, "make silence," is a literal translation of the Spanish, "haced silencio." The way I understand He is using it is, again less about external silence, and more about the silence of humility that says, "Lord, I do not know, I become easily confused – You tell me, You teach me, help me to see how You see." It is the attentive silence of the servant that awaits the order of his Master.

Three times accursed are the branches that, appearing to be still connected to the tree, no longer have any Sap, but rather allow the poison of Satan to nourish them, and produce fruits that have the appearance of being good, but are deadly.

How many of My children have been poisoned in this way.

AND I DO NOT FORGET THIS.³

DO YOU UNDERSTAND, CHILDREN, WHAT I AM SAYING TO YOU?

The trunk is My Church. The main branches: the Hierarchy; the minor branches: My Priests; the leaves: My children. The trunk carries My Truth to the branches, and the branches to the leaves. But when the main branches separate themselves from the trunk, with what do they nourish the minor branches and the leaves? Some, not having any more sap, simply dry out. They die. And they cause the leaves to die. And the integrity of the Tree is diminished.

But other branches, children, receive grafts from Satan and he fills them with poison, and the branch continues for a time to give the appearance of life, but is entirely corrupt. And causes the Tree a much greater damage, for just as the infections in your bodies spread from part to part, so it is in My Tree. When My Sap – My Truth – is rejected, the poison of Satan enters in.

CHILDREN, THE PRUNING IS COMING SOON, in which all the dry and corrupt branches will be cut down.

CHILDREN, WHAT WE HAVE ANNOUNCED AND WARNED WILL TAKE PLACE.

DO NOT BE DECEIVED.

BE ON GUARD.

My Tree will need to be cut down to the Root.

DOWN TO THE ROOT, CHILDREN.

BECAUSE THERE IS NOTHING SOUND IN IT ANYMORE.⁴

How many plagues, how many storms, how many satanic grafts, how many attacks has My blessed Tree received, set in place to give shelter, nourishment, medicine.

I HAVE SAID TO YOU – AND I REPEAT IT:

³ This sounded like a thunderbolt.

⁴ This makes me think of a plant that has a pest and, though there are still a few little green leaves, all the new growth becomes infected right away, and it is of no use to avoid pruning it. It is all “eaten” on the inside, the pest has become too extensive, and the only way to revive the plant is to completely cut off all the affected parts, so that new, healthy growth can come out of the root.

THE CHAIRS OF MY APOSTLES HAVE, IN THEIR MAJORITY, BEEN USURPED.⁵

DO NOT BE DECEIVED.

THE USURPATION ONLY ENGENDERS USURPATION, CHILDREN.

With the exception of a few – and how few – the present Hierarchy is no longer Mine. They belong to themselves, they belong to their fears, they belong to Satan.⁶

I KNOW. I SEE. I SEE ALL, children; do not forget this. What is evident and what is hidden.

NO ONE can deceive Me.

AND I SAY TO YOU: My Church on earth has been usurped in its hierarchy.

The poison that Satan has introduced in a thousand and one ways throughout the centuries has given its “fruit” – and he thinks he has accomplished his victory, in appearance destroying the Mystical Body of My Jesus, as he tried to destroy the physical Body of My Jesus on the Cross.

DO NOT BE DECEIVED.

DO NOT REMAIN IN THE “HOSANNAS!”

REMEMBER ALL THAT WE HAVE SAID TO YOU. YOU HAVE SO SOON FORGOTTEN IT.⁷

DO NOT FORGET WHAT CAME AFTER THE APPARENT VICTORY OF THE ENTRY INTO JERUSALEM ON PALM SUNDAY.

REMEMBER CHILDREN, WHAT HAPPENED BUT A FEW HOURS LATER.

On guard.

What is written, what has been announced from of old, will take place.

I HAVE SAID TO YOU:

“I will purify My Church, I will restore it. ONLY I can do so.”

Do not look for vain hopes in human “victories” that do not come from Me.

⁵ By “Chairs of My Apostles,” I understand this to be encompassing all of the hierarchy – bishops, cardinals, as well as the papacy – all the successors of the Apostles. And that He is referring specifically to the current situation, and not, for example, suggesting this about the historical line of popes.

⁶ It seems important to me to highlight the distinction that He makes among these different ways of “not belonging to Him,” since some ways would seem to be able to be remedied, while the last one is a complete and conscious negation, very difficult to remedy. And it helps us to understand the state in which these different persons find themselves, and the most effective means to deal with them.

⁷ Said with sadness and seriousness.

With how little tinsel you become distracted, with how few words you are confused and forget MY WORDS that come forth from My Heart out of Love for you.

CHILDREN, YOU ARE UNDER ATTACK.⁸

MY CHURCH IS UNDER THE MOST VICIOUS, THE MOST SUBTLE, THE CRUELEST ATTACK OF SATAN AND HIS SERVANTS.

THIS ATTACK IS ABOUT TO REACH ITS PEAK. AND WHAT YOU SEE AS VICTORY AND HOPE IS BUT THE EYE OF THE HURRICANE.

DO YOU UNDERSTAND?

This is why I say to you, "ON GUARD! AT ATTENTION! Do not become distracted!"

Do not separate your gaze from MINE. Do not give ear to anything but My Words.

My Army – that I gather from the ends of the world, that I gather with such pain, that I gather after having prepared you in secret with innumerable trials – BE ON GUARD.

See with My Eyes. Do not let yourselves be deceived.

I REMIND YOU:

The closer a lie is to the Truth, the more dangerous and harmful it is.

My children, I love you. I have gathered you in My Heart so that with Me you participate, cooperate, in the restoration of all that is created.

Remain then, WITH ME, in the awaiting of My Action, seeing as I see, knowing that EVERYTHING is in My hands, without fear or anxiety, in the security that you are MINE.

REMAIN WITH ME.

I take you up on the high rock so that you can see what is taking place around you the way I see it. So that you can understand what is truly taking place. So that you may be ready for battle, so that you may be outside of the smoke with which Satan has filled everything, creating confusion, fear, treason.

REMAIN WITH ME.

Remember that I AM. THERE IS NO OTHER.

Remember that I Am your Father Who loves you.

I understand each one of your doubts, each one of your anxieties and fears.

⁸ Said as a thunderbolt.

AND THIS IS WHY I SAY TO YOU, “REMAIN WITH ME.” IN MY TRUTH.
IN MY LIGHT. IN MY LOVE.

I must prune the Tree of My Church, DOWN TO THE ROOT.

And this is why I take you TO THE ROOT. This is why I remind you of what
IS ESSENTIAL – THE ROOT – MY WILL.

I Am God. All Powerful. Everlasting. Creator of all that is.

The Loving Father of My children, ransomed by the Most Perfect and Most
Holy Offering of My Beloved Son, your King and Lord, your Master, your Redeemer,
your JESUS.

From His Pierced Heart on the Cross the Church came forth, to give shelter,
nourishment, and health to all of My children. To be a Light in the darkness of this
world dominated by the hatred of Satan.⁹

ALL that I have done is out of LOVE for you, that you might return to ME and
remain at My side for all eternity.

THIS IS WHAT I WANT.

This is the foundation for ALL of My actions. Of all that I do and allow.

YOUR FATHER LOVES YOU.

Let this Truth be engraved in you, it is the Main Root, the Holy Sap that gives
life to all.

Let this TRUTH cast out all fear, all anxiety, vain questionings, the bonds with
sin, your own pride.

This TRUTH is summed up in One PERSON:

IN MY JESUS.¹⁰

Contemplate His Face. Contemplate His Wounds.

Contemplate His Heart. Contemplate His Words.

Contemplate His Love and Obedience to Me.

⁹ I think that He is helping us to see the holy origin of the Church, its true purpose – to take us to the root of its existence. In these times it is difficult to see this Divine origin when we see all the betrayal, filth, sinfulness, political ends, and pride, with which it is now covered. And, at the same time that He must show us the reality of the state of the Church, so too He makes us remember its origin and purpose, so that we do not abandon it, so that we do not set it aside, but rather cooperate in its restoration.

¹⁰ He said His Name with so much love, as if His Voice was amplified in an infinity of harmonies, so very difficult to explain, because I do not “see” anything, “hear” anything physically, or even “feel” anything, but it is nonetheless communicated somehow. I perceived it as a Voice that reaches its absolute fullness, grandness, beauty, wholeness, in that One Word. All the Love of the Father concentrated in that Name.

Contemplate His Death. Contemplate His Resurrection.

Contemplate His Living Presence among you.

Children, contemplate THIS TRUTH. PURE, HOLY, IMMACULATE.

LET HIS GAZE FILL YOU.

Let His Blood cover you.

Let His Light illuminate you.

Unite your wounds to His.

Place His Name in your hearts and minds – as a SHIELD.

Do not cease to gaze on Him. To love Him. And you will not cease to gaze on Me.

CHILDREN.

I HAVE WARNED YOU.

I have told you how I see.

BE AT PEACE.

The storm has not ended.

The Purification has not taken place.

The traitors remain in their chairs.

Their lies remain.

Their blasphemies have not ceased.

REMAIN WITH ME.

WAIT.

ON GUARD.

“Eternal Father, grant us Your Light to see how You see, through all deceit, curse, confusion. May Your Light cast out all darkness and allow us to see what You see. Grant us Peace in the midst of the storm. May Your Will be done in us. Strengthen us for the battle and cast out of us all spirits of fear and pride. We are your Army.¹¹ We trust in You.”¹²

¹¹ This phrase seemed to me like a supplication, as if saying, “Look at us, Father, we are Yours, help us!”

¹² I perceive that this is a prayer of liberation, especially from satanic confusion and deceit; that that is the intent.

My children, do not be discouraged or despair. I understand.

Give Me your senses, your feelings, thoughts and memories. Give Me all your desires, weaknesses, fears. Give Me everything. Place everything under My Authority, under the TRUTH, under My Will.

SUBMIT EVERYTHING TO MY WILL, so that the smoke of confusion may not daze you.

Be attentive. Be on guard.

REMAIN WITH ME AND DO NOT FEAR.

I tell you what you need to know. THE ROOT. WHAT IS ESSENTIAL.

Do not fear.

I AM YOUR FATHER WHO LOVES YOU.

I AM YOUR ALL-POWERFUL GOD.

TRUST ME.

Everything is in My Hands.

My blessing descends upon you, My Army. [smile]

I LOVE YOU.

Your Abba +

He Who Is, Who Was, and Who Is To Come.

The Lord and Master of all that is, within time and outside of time.

Write, daughter.

[I was about to leave the Chapel after having finished receiving the previous writing and I had already gotten up, when Our Blessed Mother said this.]

My little children,

Your Mother sees the anguish of your heart.

What does this election mean? Is it valid? Are there not good signs? Is this an answer to our prayers? What of so many prophecies, were they false? And how many more questions churn in your hearts.

Children, be at PEACE. Make SILENCE.¹³ Await the Action of Our God.

We have said to you that We have a Plan.

¹³ See the first two footnotes of this Message.

We have said to you that this Plan advances without stopping.

We have announced to you the beginning of the Reconquest – the opening of this phase of Our Plan.

WAIT. BE ATTENTIVE.

Do not let yourselves be deceived by appearances nor by false words.

Can the wolves give birth to a lamb? NO.

Children, in the face of the reigning confusion, in the face of the events that seem so contradictory, hopeful, terrifying, do not lose PEACE.

Come and take refuge in My Heart.

The newly born Church took refuge in My Heart after the Death of My Jesus. In My Heart, Faith was preserved. In My Heart, pierced by so many lances, hope was preserved, and THE TRUTH was preserved, the Truth that few at that moment were able to receive and accept. That JESUS HAD TO DIE IN ORDER TO RISE ON THE THIRD DAY, OPENING THE GATES OF HEAVEN TO THE CHILDREN OF GOD WITH HIS BLOOD.

Today too, children, you must take refuge in My Heart, as everything crumbles down; as the Church “dies,” in the expectation of being purified and renewed.

In My Heart is Faith, Hope, and the TRUTH.

Here you can breathe pure air, after the fetid smoke of Satan.

Here you can see with clarity, after the darkness of the confusion that reigns in the world at this time.

Here you can be in silence and listen to the Voice of the Father, after the deafening noise of the enemy’s lies.

COME AGAIN AND AGAIN TO THIS REFUGE THAT IS GIVEN TO YOU.

Do not be afraid. Come.

In My Heart you can pray, adore, and be strengthened for the battle.¹⁴

Yes, the battle is just beginning, children. Be attentive.

Do not let yourselves be guided by your feelings nor by the false words of so many.

¹⁴ I think it is a common experience of His soldiers to feel that we can barely pray or contemplate anymore, and to feel like we are more and more weak and incapable. In other words, we go from bad to worse.... It helps to know that we have a Mother who loves us and who helps us in this most profound need of our soul. And it helps even more to know that She knows that this is how we feel, and that She is telling us not to worry and that in Her Heart we do everything together, and that She makes up for all your deficiencies.

He who has ears let him hear what the Spirit is saying to the Church.¹⁵

What the Spirit says to His children:

BE ATTENTIVE. ON GUARD!

My little ones, pray with Me for all the children of God. Pray especially for My Priest-Sons:

For My faithful ones, that they continue in their fidelity.

For My weak ones, that they may receive fortitude.

For My fearful ones, that they may receive courage.

For My rationalizing¹⁶ ones, that they may receive the Divine Light without the imperfect filter of their reason.

My beloved Priests, how necessary you are in this Hour.

I NEED YOU.

I bless you with all My Maternal Love. Do not leave My side.

Help My little ones, the ones most attacked by Satan. If you do not help them, then, who?

Carry within yourselves My Love, My Words, My Purity and My Love for My Jesus.

Walk WITHOUT FEAR.

The time of timidity and fear HAS ENDED.

THIS IS THE HOUR OF THE BRAVE, CHILDREN.

THIS IS THE HOUR OF THOSE WHO LOVE JESUS.

My little ones, I love you.

Your Heavenly Mother blesses you.

Be at Peace. Be attentive. Be on guard, children.

Mary Most Holy,

Your Mother and Queen of the Angels of God.

¹⁵ Ref. Rev. 3:22.

¹⁶ The original Spanish is “razonadores,” which could be translated as “reasoning” or “rationalizing.” In this case, “rationalizing” seems to convey more precisely the use of the word in Spanish.
