Our Blessed Mother. "Give Me this Month of August."

(Dictated in English.) (NOTE: The footnotes are not dictated by God. They are added by Sister. Sometimes the footnote is to help clarify for the reader Sister's sense of the meaning of a certain word or idea, and at other times to better convey the sense of God's tone when He spoke.)

Write for My children in all the world, spread throughout all nations and peoples.¹

My beloved children, I love you.

I am your Mother Who diligently watches over each one of you from My place in Heaven – from the Heart of the Most Blessed Trinity.

My sons and daughters, on guard.

The devil, like a prowling, devouring lion watches you, taunts you, ready to pounce on your soul and drag it into darkness, into his hell.

On guard, My beloved ones.

The night is fast approaching and you must be ready.

The night in which confusion reigns.

The night in which normal eyesight and hearing are no longer enough.

The night in which the vermin come out to pollute.

The night that is the covering of evil and sin.

I must prepare you for this night, My beloved. My little ones, whom I carry in the crossing of My arms.

My words are spoken to all – but how few heed and will heed them.

I bring you words of Light and Hope and Truth to sustain you and guide you through this night.

On guard.

I see, My children, what you are facing and will soon face. And I come to form you, to warn you, and to take you by the hand, that you may not lose your way in the night and in the storm that is being unleashed upon you.

¹ It seemed to me that this was being addressed to a much wider audience, not just to Her "Army." As an invitation and a warning. Perhaps this is why the tone of this Message seems to be more serious and sober. Always loving, but as a Mother who sees danger and must warn Her children. However, when She addresses Her "Army" directly the tone is always so tender, full of Motherly pride, and how one would speak to those whom one can count on.

I see your love, your efforts, your sacrifices, prayers and acts of trust. I take them all to the Throne of the Father, that He may have Mercy. This is why I ask that you give Me everything, My little ones, everything.

The good, that I may offer it to the Father as a consolation and reparation for all the offenses with which His Heart has been wounded – continually wounded – in the rebellion of His children.

I ask that you give Me your wounds, your sins, your failings, your weaknesses, that in My Heart they may be healed, repented of, that you may receive contrition and the strength to repair the damage your sins have caused.

My children, give Me your pain, suffering, your sorrow for having offended Love, your longing to be pure and faithful and strong.

Let Me help you. My little ones, let Me help you.²

You see so little. Understand so little. Consider so little. And this makes you weak when you rely on the little you can see, understand and consider.

The enemy's wiles are seductive, in appearance logical, methodical, acting subtly, full of deceit.

You cannot resist them without My Help.

You cannot resist them without the Divine Light that the Father grants you, that you might see, hear, and understand according to His Will.

THE ENEMY'S KNOWLEDGE IS VAST AND DEEP. AND HIS HATRED LIMITLESS.

BUT GOD IS KNOWLEDGE ITSELF, WITHOUT BEGINNING OR END.

AND THIS KNOWLEDGE BECAME THE WORD, THAT YOU MAY RECEIVE IT, THAT IT MAY TAKE ROOT IN YOU. ³

The Divine Word made Flesh in My Womb out of Love for you – to cleanse you with His Blood and Perfect Obedience – that you might receive in clean hearts the Infinite Wisdom in which everything is contained: the Love of the Father.

DO NOT DESPISE THE WORDS THAT THE FATHER SENDS TO YOU, AS A REFRESHING LIFE-GIVING DEW, AS A SIGN OF HIS PROVIDENT LOVE that gives you all that you need at its proper time, and in its proper manner.

Children of My Heart, LISTEN to the Voice of your Father Who loves you.

² Said with so much love and urgency.

³ The first sentence in caps was said very seriously, as a warning. The second sentence was said with an entirely different tone – an exultant statement of a radiant Truth. And the sentence after it, was said in a tone of adoration. It always amazes me how much can be conveyed by the way in which a few simple words are said.

LISTEN to the Voice of Your JESUS, Who is ever at your side.

LISTEN to the Voice of the MOST HOLY SPIRIT OF GOD, Who continues to act in your souls.

LISTEN to the Voice of your Mother, My little ones, I Who love you and have loved you since the moment My Jesus entrusted each of the children of God to My care, from the Cross.

Two Hearts rent open by the Will of the Father that you might have Life and Light and Hope and Protection and Union with the Father for all eternity.

Do not despise Our Words, children.

My children, the world – all that is created – must be cleansed, purified, restored to its original beauty and holiness and purpose.

The world is inundated by sin. It has become the complete domain of the enemy. Shrouded once, twice, three times by darkness: The veil of Pride; the veil of lack of Faith; the veil of Despair.

My children, the Body of My Son is being sold, betrayed, scourged, torn, pierced, hung, mocked, lifted before the insults of the enemy and his hordes.

AND YOU HAVE ALLOWED THIS.⁴

My beloved children. I ask that you give Me the time of August – of this month that is Mine – and spend it with Me.

I ASK ALL MY CHILDREN – MY BELOVED ONES WHO HEAR MY VOICE – TO GIVE ME THIS TIME.

I ask that you entrust your hearts to Me.

That I might prepare and purify them.

That I might remove the obstacles still present in them to the Will of the Father.

That I might strengthen [pause]⁵ you in My Son's Grace that can only descend through repentance and acceptance of His Will.

⁴ She did not say this in an accusatory or angry tone. Or one of reproach. With sadness, yes. But rather, as very sober statement of a Truth that needs to be acknowledged and which requires a response from our heart so that it may be remedied. Making us realize that we have all contributed to the current condition of the Church. And in order to cooperate fully in the Father's Plan, we must acknowledge this Truth and repent and repair the damage we have caused by a renewed act of Faith, Trust, and Abandonment to His Will. At least this is what that statement and the manner in which She said it seemed to convey to me.

⁵ There was a pause here, in the middle of the sentence, of several hours. The first part of the dictation came during Holy Hour, and the remaining part much later that evening.

My little ones, be like My John⁶, who after a slight moment of fear and weakness in the Garden of Olives, returned without fear to bring Peter to Jesus, and then, Me.⁷

He stood with Me at Calvary, at the foot of the Cross. He saw. He heard. He believed. He loved. And together with the Two Pierced Hearts, he offered his. In that Hour.

My sons and daughters – do you see now what it is I am asking of you?

To come and remain with Me at the foot of the Cross while the Mystical Body of My Son is put to death. Remain with Me. Through the agony and the blows and the mocking and insults and betrayal.

REMAIN WITH ME.

Remain with Me while all semblance of My Son disappears from His visible Church.

Remain with Me while the Church is placed in the Sepulcher of My Son.

AND REMAIN WITH ME AT THE TOMB, AND IN PRAYER, AND IN THE HOPE AND CERTAIN FAITH THAT THE CHURCH WILL BE BROUGHT BACK TO LIFE, RESTORED, HEALED, BEAUTIFUL, RADIANT IN HOLINESS – not by human intervention or effort, but by Divine Action.

You cooperate in this Resurrection by remaining with ME. In ME.

My children.⁸

COME TO ME WITHOUT FEAR.

I RECEIVED THE APOSTLES, WHO HAD ABANDONED MY SON, INTO THE REFUGE OF MY HEART.

I obtained for them the Grace to not despair under the incessant attacks of the enemy that fell upon them as a ravenous pack of wolves.

And My Pain has obtained for you, too, that Grace to repent, to believe, to return to the Father's House.

REMAIN IN ME, MY CHILDREN.

⁶ St. John the Apostle.

⁷ Sometimes the grammar is rather curious, and can be confusing. What She is saying here is that St. John took St. Peter to Jesus first, and then afterwards, he took Her to Jesus.

⁸ Every time She says these words it is like both a caress and a call for us to be attentive.

What is unfolding before you is a Mystery. It cannot be comprehended through human reasoning, in the same way that My Son's Death could not be understood humanly.

Stay close to Me. Follow My example, children.

I, too, obeyed the Father in that Hour.

I, too, offered everything in that Hour.

I, too, abandoned Myself without reserve to the Will of the Father.

I, too, BELIEVED My Son and His Words.

My children.

DO NOT BE AFRAID.

In Me you find My Son's True Church, as He intended it to be.

In Me you find the perfect Tabernacle in which the Most Blessed Trinity dwells.

In Me you find all of My Son's Words.

In Me you find My Crucified Jesus.

In Me you find My Glorified Jesus.

In Me, children, you find **HIM**, without all the impediments of your humanity, of your weakness.

My children, in Me you **ONLY** find **HIM**. My Jesus.

Only Him.

This is why I ask you to stay close to Me, to remain IN My Heart, that you may remain in HIS HEART, with HIM.

Come, then, and spend this time with Me.

Give Me especially your ears, little ones. Place them in My hands.⁹ That I may purify them from all the filth and lies with which the enemy tries to deceive you.

BE ON GUARD.

I receive your love and I give you My smile. [smile]

I see each effort you make to be ever more Mine, to be My soldiers, to be at My disposal.

⁹ This may seem like a rather curious image, but it is very realistic – perhaps conveying the concrete act of the will that we must make in order to “surrender” our ears to Her care.

And I bless you, My beloved Army.

Do not be afraid, you are Mine.

As a Captain organizes his troops before battle, so do I.

I place each of you in the place I need you in, in the place for which you have the Grace and the Mission to be in.

It is I who unite you in My Heart.

Different missions. Different preparations. Different Graces. Different appearances.

But all working and cooperating with Me to unite My Son's Army and prepare it for battle.

You have experienced skirmishes, My little ones – My soldiers – and through them I have formed you and taught you to only rely on Our Grace and help, to have your eyes fixed ONLY on JESUS. ONLY ON HIM.

DO NOT BE AFRAID. BE AT PEACE.

BUT REMAIN ON GUARD.

The Mystery of Iniquity is at work.¹⁰

The enemies of My Son remain in their places of power.¹¹

The deception and deceit is still present, made more dangerous by its subtlety.

BE ON GUARD.

TRUST IN MY SON.

BELIEVE AND RECEIVE OUR WORDS.

THEY ARE THE ANTIDOTE TO THE LIES BEING CONSTANTLY WOVEN AROUND YOU.

¹⁰ See 2 Thessalonians 2:7, "For the mystery of iniquity already worketh; only that he who now holdeth, do hold, until he be taken out of the way."

And also the *Catechism of the Catholic Church*, No. 675: "Before Christ's second coming the Church must pass through a final trial that will shake the faith of many believers. The persecution that accompanies her pilgrimage on earth will unveil the "mystery of iniquity" in the form of a religious deception offering men an apparent solution to their problems at the price of apostasy from the truth. The supreme religious deception is that of the Antichrist, a pseudo-messianism by which man glorifies himself in place of God and of his Messiah come in the flesh."

¹¹ She is referring to His enemies within the Church. She said this very seriously, again a statement of a difficult Truth to accept.

I bless each of you, My little faithful Handful.¹²

Do not be afraid. I love you and keep watch over you.

The Hour of Pain must be borne, in order that the time of Grace and Restoration might come.

IT WILL COME, MY BELOVED ONES. WAIT WITH ME.

KEEP WATCH WITH ME.

Say with Me, **“Father, may Your Will be accomplished in Me and in all Your creatures. Amen.”**

AMEN, My children.

Your Heavenly Mother,
Mary Most Holy,
Queen of the Church, Queen of the Apostles,
Mother of all the children of God. +

¹² Said with much love, with a very personal love. Here I sensed She was addressing in a particular way those who DO listen to Her, DO obey, DO offer, DO love God. While the majority of the Message is addressed to ALL, this section and wherever She speaks of Her Army, is always full of a very particular tenderness and closeness.
