God the Father. "He is not Mine."

(This Message was dictated to Sister in Spanish, and this is her translation into English.

NOTE: The footnotes are not dictated by God. They are added by Sister. Sometimes the footnote is to help clarify for the reader Sister's sense of the meaning of a certain word or idea, and at other times to better convey the sense of God's or Our Lady's tone when They spoke.)

Write, Florecita.

- **What shall I write?**¹

What I command exclusively, and exclusively what I command.²

Write that soon you will see portents in the sky and on the earth and in the seas.³

Do not be deceived. The devil has power to deceive and to cause superficial [apparent] portents that amaze My children, and – letting themselves be swayed by what they see – allow confusion and doubt to enter into their hearts.⁴

Children, this is why I lead you along the arduous path of a strong and deep Faith. The Faith that goes beyond what is seen and understood. The Faith that is your only anchor in the storm of confusion that you are living.

BE AT PEACE.

You will see many things, children. You will hear many things. Things through which the enemy will want to seduce you and separate you from My Path.

Children, the Times have reached their fullness and all that is unfolding is part of My Plan.

How many warnings I have sent to you, children.

¹ Whenever the Lord opens a dictation in this way, in which He orders me to write, and there is the immediate response, "What shall I write," it always seems to me to be a much more formal and grave dictation. God Who is ordering His servant to write. It feels very different than when He begins by saying, "Write for My children," or "My beloved children."

² The repetition of this last phrase surprised me, but I perceived it to be a confirmation: that is, that what is written here is only what He Himself has dictated.

³ I did not receive any explanation in reference to these portents. I understood this word to mean signs or events that would seem like wonders or cause amazement.

⁴ My understanding of the use of the word "superficial" is that, though Satan can make "apparent" wonders by manipulation and deceit, such wonders are "superficial" in nature because, as a creature himself, Satan is limited in what he can do. God's miracles are true miracles; He is the only One Who can truly create or change something in its very substance. The enemy's "miracles" are temporary and are only manipulations of existing things. But they look, sound, and feel real. Hence the Lord's insistence on having Faith that is capable of going beyond what the senses perceive.

How many you have rejected, incredulously saying, “The Lord does not speak like that; the Lord would not criticize His Church, nor His Priests, nor the Hierarchy in this way”

No, children, you are mistaken.

Who but **ME** can judge and warn without partiality or deceit or self-interest?

Who can warn you about what you are to face, but I alone, Who am beyond all time and distance, I Who know each instant and scrutinize each heart?

Will you, then, set limits for Me?

NO, children.

HUMILITY, HUMILITY, HUMILITY.

If you wish to live in TRUTH, you will need to live in HUMILITY.

I have said to you that the filth of Satan has entered, has become ingrained, and has usurped the chairs of My Apostles.

How did Satan seduce the angels so that they would follow him? How did he seduce Eve and then Adam?

With SUBTLETY, half-truths, a spirit of rebellion, and pride clothed with humility.

Children, ON GUARD.

With new and refined subtleties, manipulations and machinations, the enemy has advanced his plan to destroy all that is Mine, to destroy My Holy Church, the bulwark set up as protection for My children and for My Truth.

If you knew, children, the extent and depth of this demonic foulness, you would be horrified. And you would understand what I have said to you.

This is why, children, I must allow you to see the corruption, to have you smell the foul smoke, to have you listen to the lies and subtle deceits, to have you see the stars fall from the heavens: My Priests and Bishops, who should be guides and light for My little ones.

My ENOUGH will be given, children. Do not doubt it, do not forget it.

NO ONE MAKES A MOCKERY OF ME, CHILDREN.

TRUTH WILL SHINE AS THE NOONDAY SUN, BEFORE WHOM NOTHING CAN HIDE.

When I say to you, children, that the power in My Church has been usurped and is in the hands of My enemy and his “children,” I tell you the TRUTH that you do not want to hear nor consider, but that you NEED TO RECEIVE.

This TRUTH, children, is your protection, because it opens you to a multitude of Graces that I have reserved for this HOUR.

Blessed are those who, attentive to My Voice and with a humble heart, lay their minds, their thoughts, reasonings and criteria at My feet and receive the Light that I give to you in this Hour.

This HOUR is unique, children. The centuries have prepared it. I have announced it to you through the mouth of My Prophets, through the mouth of My Jesus, and of My Precious Pearl.⁵

The one who is seated on the throne of Peter is not Mine.⁶

Be alert and attentive. Do not let yourselves be confused or deceived.

Consider the works.

Consider what is promoted.

Consider what is permitted.

Consider what is punished.

Consider who is persecuted.

Wolves in sheep's clothing that have not only entered My flock to seduce and separate, but who now act as shepherds and guides.

Children, these false shepherds **DO NOT GUIDE YOU TO MY WILL. THEY DO NOT GUIDE YOU TO HEAVEN. DO NOT FOLLOW THEM.**

Separate yourselves from them as from something unclean.

Pray for them, as My Jesus did from the Cross, as Mary Most Holy did at the foot of the Cross, and as I ask of each generous soul to help these souls who are lost for now.

My beloved children, My little ones, I show you what you are facing. So that you remain firmly in Me, in My Heart that loves you.

So that you may be able to resist these and future deceits.

Trust in Me. I KNOW WHAT I DO AND PERMIT.

⁵ Our Blessed Mother. When He says these words, it is with great gentleness and love, almost as if smiling.

⁶ These are terrible words. Difficult to write because of the consequences they entail. I was surprised that they were not said as a thunderbolt. But rather, as the Truth that is spoken without sensationalism or hatred, but is nonetheless inexorable. As when a father explains something difficult to his son, trying to make him understand a very grave situation, that cannot be rebutted because it is reality. Only God Himself can say such words in this way. I was also struck that the Lord does not mention his name. I perceive this is intentional. As if not even giving him that minimum of recognition, as if ignoring him. I do not know how to put this into words.

Be at Peace. Without fear.

He who trusts in Me, who abandons himself with humility to My Will, will NEVER be forsaken.

You are My children, your existence is a result of MY LOVE. I have willed, children, that you exist, in order to pour My Love into you, that you may live with Me for all eternity.

How much I love you.

Your Father keeps watch over each one of you.

Your Father brings His Plan to fulfillment and to Victory.

Your Father prepares His army; He trains and strengthens it.

Your Father will give you all that you need, when you need it, and how you need it.

TRUST IN ME. You shall not be disappointed.

Yes, children, these HOURS are horrendous. They are grievous in extreme. Crushing in body, soul, and spirit.

But it is MY HOUR. And all that takes place in it is in MY Hands, it is in MY Will, it is in MY Permission.

Do not be afraid. Remain with Me.

In Faith, Humility, and Obedience.

Accept the Truth that I communicate to you and allow it to bear its fruit in your soul: fruits of peace, of abandonment, of fortitude, of charity, of true obedience.

Do not be afraid, children.

Remain with Me. See with My eyes. Listen with My ears.

YOU ARE MY CHILDREN AND HEIRS. DO NOT FORGET THIS.⁷

Remain in Me.

I bless you, children of My Heart.

Each one of you. Your families. Your nations.

May My blessing descend as a dew of consolation and fortitude and light for those who love Me.

May it descend as a call to repentance for those who have forgotten Me.

⁷ Said with much gravity, as if reminding us of the great dignity that He grants us as His children and the very great responsibility that we have as His heirs to live as He asks, to defend His Name, and to communicate His Will and be an example of its fulfillment.

And may it descend as thunder upon those who hate Me, as a warning and reminder that I AM GOD. THERE IS NO OTHER.

IN MY HANDS IS ALL THAT IS CREATED.

MINE IS THE POWER AND THE JUSTICE.

MINE IS THE DOMINION. MINE IS THE GLORY.

EVERYTHING WILL FALL AT MY FEET AT THE APPOINTED HOUR.

YAHWEH,
LORD GOD OF HOSTS,
GOD OF THE PROPHETS AND PATRIARCHS,
SOVEREIGN GOD OVER ALL TIMES AND NATIONS,
HAS SPOKEN.⁸
AMEN.⁹

⁸ This closing is very solemn. It is strikingly different from when He closes by saying, “Your Father Who loves you.” Here He is speaking as our GOD. Reminding us WHO HE IS. By using “Yahweh, Lord of Hosts,” He is reminding us of His Power and of all the wonders and interventions He did on behalf of His people in the Old Testament; reminding us that HE IS THE SAME GOD Who will intervene in our times as well. When He says, “The God of the Prophets and Patriarchs,” He is reminding us that He is the Lord of Salvation History, that He continually sends His help, His words, His guidance to His People. And when He says, “Sovereign God over all time and all nations,” it is a reminder that EVERYTHING is subject to Him. HE is in charge. HE directs history. HE has His Plan that cannot be thwarted. And then, when He says, “Has spoken,” it is like a thunderclap. Very solemn and final. What He is saying to us in this Message is very important and very delicate. So He is reminding us, both when He opens and when He concludes, that HE IS GOD. HE HAS THE AUTHORITY TO SPEAK.

⁹ When He says this word, I perceive it as a solemn “seal” to what He has just said. As something that becomes “engraved” in Heaven and on Earth. As a promise that will have its sure fulfillment. We say “amen” so easily and distractedly, but when He says it, it sounds very different. It is only four letters, but it is a VERY GREAT word because of what it contains.
