25th Anniversary

November 2026

MISSION of DIVINE MERCY

ABOUT THE COVER: THE CROSS OF LIGHT

At our 25th Anniversary celebration on Sunday, November 22 we will have the formal blessing of the large Cross on Tepeyac Hill.

The presence of this Cross is the fruit of the Lord's grace and of contributions by several individuals. First and foremost was the inspiration given to a long-time friend during Mass at the Mission one day:

> *I recalled my vision from seven years earlier, the vision of Christ on the cross on a hill overlooking streams of pilgrims approaching Him across distant hills and up through a valley. And the inspiration occurred to me that perhaps a cross…should be placed at the apex of the tree line above the Teocalli. In December of 2020, my kids decided to make some donations to the Mission dedicated to realizing the construction of the cross.*

Because there was already a beautiful Crucifix at the Teocalli it was decided that the Cross would be the Cross of Light, the Emblem worn by the Community.

The significance of the Emblem, had been revealed by God the Father in a Message from March 7, 2019:

> *Our Emblem is different. It is the visible Image of the Great Mission of Evangelization and Reconquest. The Cross of Light signifies the Light of the new, MY Evangelization; the Light that will illuminate all consciences, all hearts with the Truth. The blinding Light that will chase away the darkness from the hearts of My children.*

In time, the generous donations of those "kids" led to the realization of their father's vision. But erecting and finalizing the Cross took multiple stages and the generosity of time, talent and treasure of several friends—the construction of the huge wooden beams, the difficulty of engineering its placement on the hill, the creation of the Wounded Heart by our talented artist, the illumination of the Cross at night, and the gift of the beautiful stone facade covering the base.

Like so much that happens at the Mission—the Lord leads, we try to follow, and the fruit is a blessing for all.

JESUS, WE TRUST IN YOU.

"The Hidden Life Has Come to an End"

"I think that some people feel that we were this nice little Community doing good things and then suddenly took a wrong turn," Father John Mary said recently. "But we feel that this is what the Lord has been preparing us for from the beginning. For over 30 years the Lord has been speaking to us about the deep crisis in the Church and His desire to bring about a divine renewal. We didn't know how or when, but we knew that at some point He would call us from a quiet life to a prophetic witness."

As we celebrate our 25th Anniversary, the recent canonical decisions weigh heavily on many people's minds. Was our publication of the Messages which announced the Reconquest and called Francis and Leo usurpers a "wrong turn" or was it just one more step on the Path along which the Lord has been leading our Community for the last 25 years—and for some even longer?

We do not believe it was a wrong turn.

As many of you know, Father John Mary was a young priest serving in Monterrey, Mexico when two middle-aged women approached him with a letter, purportedly from God, asking Father to be their spiritual director. The letter explained that His Church had been terribly deformed, and that God had plans for the renewal of His Church and for a Great Evangelization that would bring His children back to Him. The full story of what occurred there will be written elsewhere, but suffice it to say that after much prayer and discernment Father came to believe that this call was authentic, and it put him, and others who are now part of MDM, on the long and difficult Path of discerning and obeying God's Will. As the Messages themselves attest, this discernment was not only through prophetic messages, but often through the more ordinary means of prayer and circumstances.

In February 2024, we published the first Reconquest Message: "A Call to All the Children of God." But Sister Amapola had been receiving Messages from Our Lord and His Blessed Mother since the very end of 2016 and continuing up through the present day. Here we are publishing—most for the first time—excerpts from these Messages which show that from **the earliest days** Our Lord was revealing the terrible corruption in His Church, His plan to Reconquer the hearts of His children, and the painful obedience He was asking of MDM in cooperating with His plan. Those topics were already strongly expressed in the Messages given to the women from Monterrey. The Messages received by Sister have always seemed to us a continuation of the journey that began there.

There is way too much in the hundreds of Messages that Sister has received to include in this little newsletter. We're limiting ourselves here to a handful of important topics. In particular, we want to illustrate the role of the Messages in three crucial areas:

1. **UNVEILING OUR MISSION**: Through these Messages God gradually revealed His plans for the Mission and how He would use our little MDM as one of His many instruments in the salvation of souls. He also revealed the true state of His Church and His plans for her renewal.
2. **OUR FORMATION:** If we were to sum up the theme of the Formation Messages it would be: Faith, Trust and Abandonment. These Messages are continual reminders that the pain and exhaustion of the formation is the necessary cost of cooperating in the salvation of His children.
3. **MANIFESTATIONS:** Very early in the Messages, God began to speak of His plans for powerful, unprecedented Manifestations at the Mission. He asked that we begin to prepare for them both materially through the clearing of the hillside and the building of the outdoor sanctuary, and spiritually through the formation described previously. Gradually the Messages revealed the immense spiritual impact of these promised Manifestations.

While we hope to eventually publish many more of the Messages, this selection gives you a sense of the continuity of MDM's Path from its very beginnings and

how greatly the Messages have helped us to grow in Faith and in our mission, both personally and as a religious community.

But we also share them because you have probably experienced the painful struggle of following God's path in your own life. Read the Messages slowly, prayerfully, repeatedly. Maybe just a few at a time. Perhaps consider them part of your Advent reading.

In this challenging but hopeful time of the Reconquest, we pray that these Messages can strengthen you as they have strengthened us.

Messages: 2017

01/18/17 - God the Father: *I want to give [these words] to you as a promise of My protection for your little land, My Mission, My citadel where I will shield many. A whole multitude will find spiritual refuge in this place, and for some it will also be a physical refuge. I will guide you, My little ones, remember that you and this place are Mine; and I, your God and Lord, say to you: "I will protect you and save you."*

03/01/17 - JESUS - (In addition to the members of the religious Community, the Lord invited the members of the staff to be part of what He called His "Team.")

My work is so very extensive – you could never imagine (smile) – in all of the world, uniting Heaven and Earth, all of My children, for the great battle and defeat of Satan. This is what I have formed you for. For years I have been forming you in secret, without you yourselves realizing it. I have placed the seed of simple faith in your hearts through the great faith and sacrifice of My Community, who has believed Me, has waited for Me and has suffered with Me for so many years.
But now, children, now that this little plant of faith has been strengthened, I ask of you this very great act of Faith – I want to unite you to the Faith that My Community has had…
I ask you for your Faith in that what I am doing now, what I tell you through these instruments of mine, comes from Me, comes from My Love for you and My desire that you help Me.

03/03/17 - JESUS: **(**On ths day Sister Amapola felt called to go and pray before the image of Our Lady of Guadalupe, at the foot of what was then known as "Marian Hill." This is the hill that Our Lord renamed "Tepeyac." He indicated that it would be the site of Their Manifestations.)
We have brought you here to the feet of the Holy Image of My Mother [Marian Hill] so that She can give you some indications for Our new Tepeyac, (smile) Our Teocalli, where We will console Our children, We will listen to them and pour out endless Graces.
I ask you for preparations, children, so that there is the minimum necessary at the beginning, so that My children can come to Me easily. As more of them come, we will expand and add, because right now there are no funds to be able to do everything. (smile)

08/15/17 – JESUS: *Be little with Me, (smile) full of trust like a little child, who not knowing how to do what the Father asks, in all simplicity tells Him: "Father, I do not know how to do what you ask, but I want to do it, (smile) help me, for I am little, too little and poor…."*
I cannot resist this prayer (smile) and I come and I teach you and I carry you in My arms.

09/02/17 - BLESSED MOTHER: *We are preparing the Reconquest of the hearts of Our children, of Our Church, of all creation, which for so many years has been under the dominion of Our enemy.*
For years We have prepared special places of refuge and Grace; humble, hidden battalions that will form Our vast Army. I have countless "little armies" in all the world, their strength hidden from our enemy, until the moment when We will unite all of these smaller armies into the one great vast invincible Army of Our God, united to the Angelic armies and the army of all those who are in Purgatory and those in Heaven….
For years also We have prepared this "little" Mission of Our Mercy for these times, as a unique place of Grace and Mercy, and from which We will bring forth a vast River of Mercy to unite all of Our places of Grace around the world into the one great Army to defeat our enemy.
This little Mission is humble in the eyes of the world, deemed insignificant, but We have prepared it, formed it, molded it in pain, in suffering, in obedience, in the annihilation of anything but the Will of the Father.

10/20/17 - JESUS: *My children, I have need of this tremendous act of Faith and obedience that you have and continue to offer to Me. You do not see how much I can do, how much I am doing, preparing, saving, by these acts of Faith of yours.*
It is humanly impossible for you to finish all the preparations that would be needed, but you have done what I asked of you.
This is the best preparation for what I will soon DO.

I will bring whatever else will be needed, do not fear. I can do that in an instant. But the acts of obedience and faith, only you can do, and offer them to Me as the pleasing sacrifice of your Love.

***10/28/17 – ABBA:** When you offer something to Me, when you abandon it into My Hands, into My care, the enemy – Satan – loses dominion over that something – you snatch it from him and you give it to Me. This is why I ask you to "give Me EVERYTHING." ...*
Do not waste any wound, any pain, any humiliation. They have an infinite value. Do not let the enemy snatch it away from you.
Trust in Me; abandon yourselves to My Love; bear patiently what comes into your lives, and give Me EVERYTHING. And I will make EVERYTHING, EVERYTHING, in your lives bear fruits of salvation – even this which only seems like "death," if you give it to Me, I will turn it into LIFE.

Messages: 2018

***01/10/18 - JESUS:** You see the tremendous confusion that has invaded every aspect of the lives of My children, of society, of My Church. Can man fix that? Can a solution come from man?...*
No... Only your God can accomplish this. AND I WILL DO SO....
My little ones, before My great interventions as All-Powerful God, I have always announced My Plans, My desires, to My Friends.
To Abraham, when Sodom and Gomorrah had to be destroyed.
To Moses, when I liberated My children from slavery. And time and time again to My Prophets, to those who are close to Me and believe Me simply, as children. As you do.
You are My Friends, little ones, and so I announce to you My Plans, that you may have hope and help My children to hope, to believe, to KNOW that your God WILL ARISE...

***01/23/18 - JESUS:** I have said that where sin abounds, Grace over-abounds....*
Consider then what the overabundance of Grace must be if it must overpower such presence of sin in the world and in My Church.
It must be a deluge of Grace. In the time of Noah sin had also become so dark, so pervasive, present in everything, that the great unimaginable deluge was needed to cleanse the earth and "start over," so to speak.
That was a foreshadowing of what must come, what IS COMING very soon – an unprecedented, inconceivable deluge of Grace, flooding the hearts of My children that they may be capable of deciding freely who they will serve.
Some will refuse, but many will come back to Me.

***02/06/18 - JESUS:** You have been walking along the dark valley of death – the difficult path of Faith, the terrible desert when I strip everything away except that which is essential for Our work together – your absolute Faith in Me and your total surrender to My Will....*
[T]hese are the two pillars that My son John Bosco saw in his vision – represented as the pillar of the Most Holy Eucharist and the pillar of My Most Holy Mother.
One being the perfect "example" of your Faith in Me – believing that the little piece of Bread is Me, fully present in My humanity and Divinity.

The other being the perfect example of Abandonment to My Will – My Mother who received all, bore all, offered all, loved all, let Herself be a complete instrument of Our Will.

Unless you are fully anchored in these two pillars, you will flounder in the surprising tide of events that will very soon now wash over the world….

Yes, children of My Heart, these Manifestations – this opening of Heaven upon the Earth is the blinding light, the searching light, the piercing sword of light that will come to each of My children, will pierce them, will make them see My Truth and will demand a choice.
As in the Garden of Eden, My children will for an instant have full knowledge of Who I Am, and will have to choose whom they will obey – Me, Whom they will see with My Wounds as blindingly bright Jewels – or My enemy, who will also try to blind them with false "lights."
First will come the beautiful dawn and daylight, which will cause beauty and grace to cover the earth for a moment – the time of consolation for My children.
Then will come this lightning bolt of My Truth into every heart.

02/13/18 - JESUS: *My little ones, I am detaching you from the last things that tie you down to the criteria of the world, so as to take you higher and higher along the difficult path to the summit of FAITH. This is why you are tired, ready to give up. Because I am taking you quickly and you are out of breath, so to speak.*
As when you climb a high mountain, and the oxygen becomes scarcer and you get out of breath quickly, and need a supply of oxygen to go further up, so you need the "oxygen" of Trust in order for Me to be able to take you even higher.
This is what I need from you.
Your TRUST, as little children who do not understand what their Father is doing – it seems painful and cruel – but who nonetheless trust Him.

03/28/18 - JESUS: (In 2018 the archdiocese initiated what is called a "visitation," which was an in-depth review of all aspects of the Mission of Divine Mercy. The process of responding to it took over a year and produced two large binders of information.)
Present the documents you have, your explanations for the different sections of their questions.
This will show them your willingness to cooperate, how you have been responsible materially speaking, how you have the good-will of so many around you….
[S]peak of your story, of all the ways I have guided My

little Mission throughout these years. At least they will see some good fruits….
[T]hose who are attentive to Me see immediately My actions in Our Mission. But those that are distracted and have forgotten Me, do not, cannot yet see the beauty of Our Mission.
My Manifestations will be needed so that they can come to believe.
You can tell them simply that you have been trying to be faithful to Me and trying to be attentive to My direction. And that in conscience you must continue to do so….
My Church is making a visitation upon this work of Mine, scrutinizing it.

But very soon now, I WILL VISIT MY CHURCH AND MY PEOPLE and I will scrutinize them in My Light, making the Truth visible and recognizable by all.
But this immense Grace and Justice is prepared by prayer, pain and the continued obedience unto every death on your part.
You belong to Me. This Mission belongs to Me. I try it, purify it in the Thrice-Holy furnace of Faith, Humility and Obedience.

My little ones, I was cast out of many places, and I was also welcomed in many others. Do not be afraid.
I HAVE MY PLANS. AND I WILL ACCOMPLISH THEM.

05/18/18 - JESUS & BLESSED MOTHER -(This Message was received after an extended period when no Messages were received.)
In the times of My silence, when in appearance nothing is "happening," your Faith must deepen, like an anchor that is lowered deeper and deeper in the firm Rock. I, your Jesus, am your Rock. Firm, unshakable, Trustworthy….
I am forging you as anchors, as shields and as arrows for My children.
As anchors to hold many of My children to Me, through you. To anchor them so they are not blown away in the tempest that is coming.
As shields capable of withstanding the attacks of the enemy and thus protecting so many of My children who are vulnerable.
And as flaming arrows capable of cutting through the darkness carrying the light of My Love to so many souls steeped in the most profound darkness. Arrows travel fast, are difficult to stop and can reach places that humanly it would be difficult to go to.

Messages:2019

04/17/19 - JESUS: *My little ones, what pleases Me is not lofty meditations, or "spiritual" thoughts or actions. What pleases Me, what unites you to Me is your FAITH and OBEDIENCE. This is your act of LOVE for Me, the truest way to reciprocate My love. In an instant I can grant you profound visions, mystical experiences beyond human imagination – but what I need from you is your hand in Mine, your walking with Me in docility along the way I am taking you; your trust in My love for you and in what I do in you, and through you.*

05/07/19 – ABBA: *I Am coming. Children, each time that I say these Words to you, that I announce to you My*

coming – My very soon coming – and you listen to them, you receive them in your heart, and accept them in Faith, believing out of Love for Me, even if this effort costs you life – I liberate more and more of My children from Satan's claws. You cannot comprehend what I Am doing with these acts of yours, that are as ashes and bitterness to you, but that I transform into life….
I Am preparing you for war, children. The training is hard. Yes, very hard.

08/20/19 - ABBA: *My children, everyone who sees our little Tepeyac receives a Grace. All who walk on that holy ground receive a Grace and a protection. I already pour out Grace and Mercy from that Altar and from that sacred spot where We shall stand and behold you, all Our children, gathered there to see Us, and from where the springs of Mercy and healing will flow.*

Messages:2020

06/04/20 - JESUS: *I CAN accomplish ALL THESE WORKS IN AN INSTANT. I DO NOT NEED YOUR HELP for that.*
But children I love you, and I have willed to unite you to My greatest Work, the reconquest of all souls created by Me. This Work that has lasted from the beginning of time and will continue until the final trumpet sounds. This Work that has its apex in these times. Each stage has its purpose, and lays the foundation for the following one.

11/07/20 – ABBA: *YOUR ONLY TRUE HOMELAND IS MY HEART….TRUST ME.*
It is MY work to fix things. (smile) It is YOUR work to Trust Me.
My children, My little ones, yes, I know how hard this is – to trust Me – when I seem to do nothing, when nothing seems to change except for the worse, within yourselves and in the world.
This is your mission. Your witness. Your great work. Your martyrdom – a long, extended martyrdom.

11/10/20 – JESUS: *JESUS, I TRUST IN YOU. This phrase is your battle cry. (smile)*
I am training you so that whatever you see, whatever you hear before you, these words shall come forth from your hearts as the great battle cry that destroys the works and seductions of the enemy. This cry strikes fear in the ranks of the enemy. It is in you now, but it must grow until it is a deafening roar.
JESUS, I TRUST IN YOU!!! *…*
The Time of Mercy is passing but must reach its culmination before it ushers in the Time of Justice….
Only Trust in My Mercy, ONLY FAITH IN ME, TRUE LIVING FAITH, can bridge the times of Mercy and Justice and lead you into the Renewed Earth and Renewed Church.
Teach My children to Trust. To Believe. To do this you must live it first.

Messages:2021

04/14/21 - JESUS: *In Our Manifestations there will be unheard of previous Graces of purification and healing, so that My children do not die of horror at seeing themselves so wounded.*
The enemy, knowing that this Grace [the Illumination] will come down as a thunderbolt, is trying by ALL means possible to deform, distort, corrupt My children, so that when they see themselves so hideous, they despair, distrust My Mercy, and become prey and food of hell. This is why Our Manifestations will come first.
To counteract, to neutralize Satan's nefarious plan. He thinks that the victory is his, but there is only One Victor.
ME. ALWAYS ME. It is impossible that GOD be defeated. IMPOSSIBLE. IMPOSSIBLE. IMPOSSIBLE.

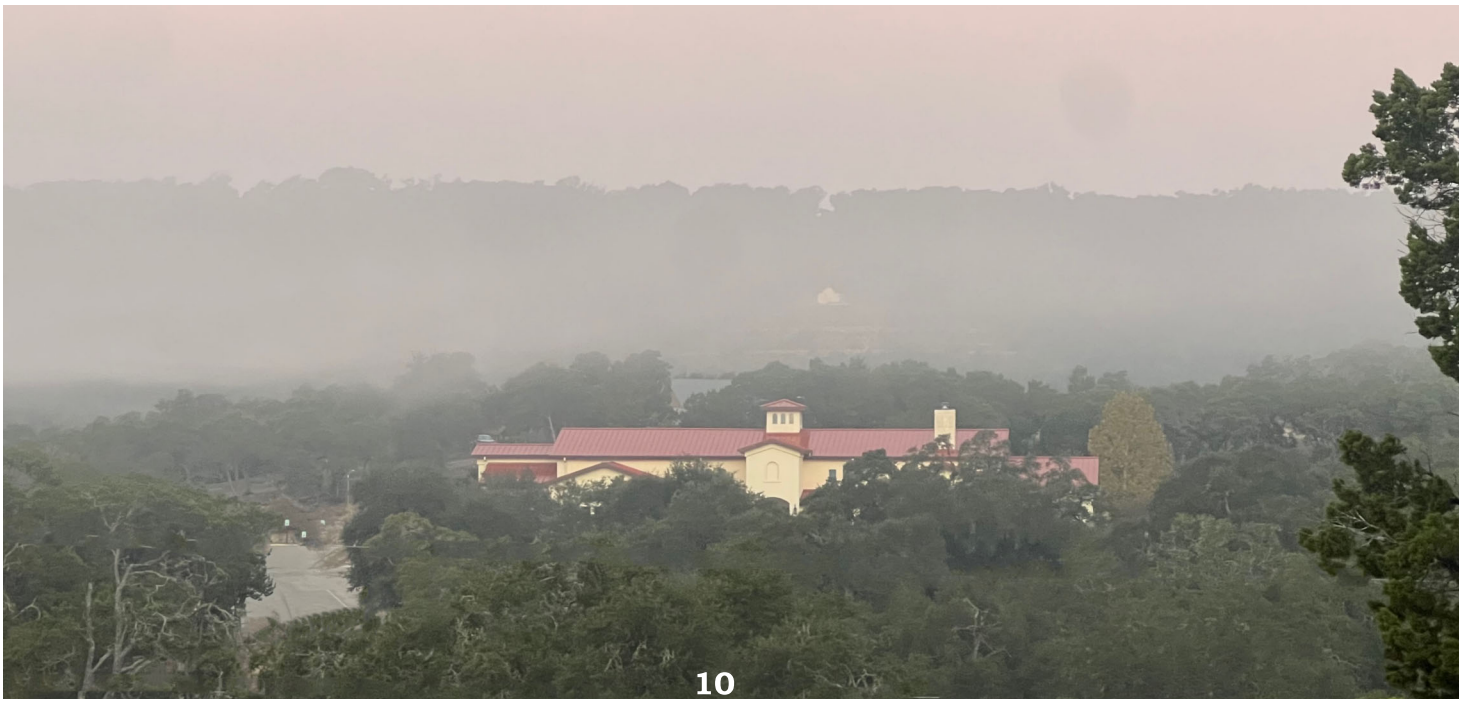

10/16/21- JESUS: *Children, continue with your plans with the light that I give to each one in hiddenness, by means of circumstances, and My signs.*
It is I Who open or close the doors. It is I Who provide what is necessary for My Plan. Do not worry.
You cannot imagine everything that We will accomplish in Our Mission, both on the current land as well as on the future one.

Messages:2022

06/09/22 - JESUS: (Referring to newly acquired property*)*

What I will do on this land – you cannot imagine and must remain in the mists yet. That is why I do not give you many details and leave the decisions regarding this project to you. It will not interfere with what will come later. Do as circumstances and the light I give you indicate.
How difficult and painful it is to live in two "times," with the desires of the heart in one "time" and the ability to fulfill them in a different "time."
The life of abandonment to My Will has the appearance on the surface of being easy, almost like an escape from reality.
But in truth, it is brutal for your humanity. It is the destruction of the "self," of the "ego."

10/05/22 - JESUS: *DO NOT BE AFRAID, neither of illness, nor pain, nor of death. The world has lost Faith in eternal life, in Me. And the consequence of this is to make an IDOL out of health and earthly happiness. "Having health, you have everything." No, children. NO.*
Of what use is a perfect, healthy body, but with a dimmed, rotten soul? …
LIFE is MY gift, ONLY I can give it, and ONLY I decide when to take it. ONLY I.
When you entrust yourselves to Me, you entrust your health as well, that is to say, it comes under My dominion through the act of your will and your trust.
I make use of your health then, according to My Plans, and all for the fulfillment of My Will, which is none other than the good of My children.

My Will is LOVE, children, never forget it…. But if I removed all imperfection, pain, illness in an instant, I would also be depriving you of the opportunity to cooperate with Me in your own expiation and salvation, and that of your brothers….
I taught you with My Passion and Cross, with My Life and with My Death, HOW TO LIVE, and HOW TO DIE, how to carry the Cross of suffering and how to offer EVERYTHING to the Father.
And My Resurrection shows you the Truth of what awaits you when you have said your final "Father, into Your hands I commend my spirit."

Messages:2023

01/05/23 - JESUS: *The Hour will come when you see Us face to face. (smile) We will imprint Our Faces upon your heart, to help you remain faithful and strong during the whirlwind of darkness that will raze the world to the ground.*
But above all, children, to be able to resist the words and the seductive gaze of the Antichrist…. THIS IS WHY IT IS NECESSARY, CHILDREN, NECESSARY that I form you in an unshakeable FAITH; in absolute and prompt OBEDIENCE; and in true HUMILITY.

01/09/23 - ABBA: *The harvest is about to come. That the wheat and the chaff will be separated. There will be no more confusion….*
Yes. These words refer to the great Grace and Mercy that is about to descend over all that is created – the Great Light that will descend to each heart from the Cross of My Son like a powerful lightning bolt – to show the Truth, to thunder before the whole world that I AM GOD. To My blind and deaf children; to My children torn apart by sin and the lies of the enemy; to My children who do not even know Me; to My children who have rejected Me.
This Light will come TO ALL. Terrible Light and Beautiful Light.
Yes, I have said that many will die of fright, and that My Priests will have an untiring work to reconcile My children to Me.
Even in this terror, in these deaths, My Mercy will act, for at the instant that a soul turns to Me, even if it is just a second, and even if it were only out of fear, I will take that soul in that precise instant as a Victory of Mine. The soul will be purified later, but it will be in My Kingdom….
I remind you, children, that NO ONE dies ALONE. No one. Your Guardian Angel is with you; as well as myriads of Angels. The Love and Presence of your Heavenly Mother is with you. My Son and His Offering

is with you.
No one dies alone, children.

04/14/23 - JESUS: *My poor, poor Church. So battered. Very little of it remains sound, and soon it will be entirely like Me – betrayed, abandoned, scourged, crucified, mocked, insulted, and laid in the tomb.*
DO NOT ABANDON MY CHURCH – but rather, pray for it, and offer it to the Father, covered in My Blood and in the blood of all My Martyrs – the physical and mystical blood that atones and cleanses. Plead the tears of My Mother and of all the hearts that love Me, that it may be purified and raised….
Do not be deceived with false hopes of a human restoration of what is now crumbling down. Just as I told My Apostles and disciples to not be deceived by the idea of a human Messiah who would free them from the oppression of the Romans.
NO. Our Work, children, goes infinitely beyond human reconstructions.

This is why it IS SO PAINFUL. SO TIRING. SO CRUSHING. And why an indomitable FAITH is necessary.

06/19/23 – ABBA: *You see how all things have fallen into place at their proper time. So it will be with this. Continue to prepare My little flock, even if they do not understand fully what they are being prepared to do, what they will need to decide.*
Events will make the time of decision clear….
Step by step, My little one. My Holy Angels will help. This is My time now. (smile)

10/04/23 – JESUS: *I AM NOT IN THE SYNOD. They have taken Me out, cast Me out of it – and of their hearts – word by word, deed by deed.*
How much will those who let themselves be led astray have to expiate; and how will the instigators be cast into perpetual darkness – demons clothed in flesh – who scourge the spirits of My little ones as they scourged Me.
Everything comes to an end, children, do not forget this, in order not to despair at seeing the physical and spiritual destruction that is devastating all that is created.
Remain standing for the sake of your brothers – for the sake of Our children….
Do not be surprised, children, by the words I have spoken to you. Look at the devastation of My Vineyard, of My Church….
Everything that throughout the ages We have asked of you is for your good.
My law does not change. *It is Eternal. Because it comes forth from Our Divine Mystery, and it is One, the same, always.*
Think then, children, of the insult, of the very evident lack of Faith present when it is said that the Truth – the doctrine spoken, given by Me centuries ago – is no longer current and that it must be adapted to the needs of today's world – today's world that is sunken in sin, in the growing disorder in every aspect of life, in unnecessary suffering – precisely because it set aside My Law. How has Satan blinded them. And how they have let his lies take root in their minds and then in their hearts, suffocating My Truth and the humility

needed to receive it….
And My children DIE of hunger and thirst for the Truth – for My Love, for My true Love – not the false and pernicious "love" that deceitfully tries to pass itself as Mine, but that is nothing more than pride and lust of the spirit.
My children, My little ones, My friends and companions, My beloved soldiers – you now see and live My pain at seeing all that I have given and done out of love for My children be twisted, infected, filled with cancerous and gangrened tissues [tumors].
How much pain, children. You now share My pain. And for this reason, I share with you My Words, My Thought. And I say to you again: I AM NOT IN THE SYNOD.
There is a handful of faithful children present in it, and I take their suffering and what they will have to suffer in the coming days.
BUT I AM NOT PRESENT. NOR IS MY FATHER. NOR IS OUR MOST HOLY SPIRIT – MIRRÉN. THEY HAVE CAST US OUT, preferring the machinations of their reasons united in adultery with Satan.
I created them to be filled with My Light, and they have let themselves be invaded by darkness, and so they no longer see Me. For them there will still be Mercy.
But for those…who hate Me and hate all that is Mine and work without ceasing to destroy Me in the hearts of My children – for them is reserved My WRATH.
My children, help Me to rescue those who are Mine and who have fallen into the hands of these merciless demons….
I Am acting. You see how I am waking up, raising up My children in different parts of the world, as voices of warning and watchfulness for others.
***Your Mission is not yet this.** These voices that you hear now, and that are more and more rising up, are a preparation for your voice – MY VOICE – that will soon thunder – not here and there – but in ALL OF CREATION and throughout ALL TIMES.*

Your Voice united to My Action, My Testimony – the great Light to the consciences – that will give freedom so that each soul created by Me can see and choose in complete freedom.
It is near, children. Be alert. I, and ONLY I, will unleash you. ONLY ME. Do not fear….
Yes, Satan is the "prince of the world," but I AM THE KING OF ALL THAT IS CREATED. And I will crush him and will take what is MINE and that he tried to steal from Me – MY CHILDREN….
My children, the Hour in which your voice will be raised and will denounce Satan himself will come. I WILL UNLEASH YOUR VOICE AT THE APPOINTED TIME.

It was during the summer of 2023 that Father John Mary began to sense in prayer that the Lord was calling the Community to publish the Messages and speak clearly about the crisis in the Church. This was followed by several months of intense prayer and discernment on the part of the Community and Team, knowing that these actions would have painful ramifications.

The long years of formation were coming to a close and now **"the door of Truth and of Testimony is being opened… the hidden life has come to an end." (6/28/2023)**

We end with one final Message excerpt from a *Canticle* received by Sister from Abba on December 1, 2023, just before the new year, just before the beginning of the Reconquest.

Canticle

So now arises the Sun of Justice once again,
to restore what has been defiled.
To restore what has been destroyed.
To restore Truth and Life and Faith.
Rejoice, ye who weep.
Rejoice, ye who are in pain and sorrow,
and steeped in the horror that covers My People,
Rejoice, jewels of My Heart,
My little handful.
My remnant, My little ones.
What you have believed, you shall see.
What you have hoped for, you shall obtain.
And measure upon measure more.
Fidelity calls unto Fidelity.
The Hour has come.
Amen.

JESUS, WE TRUST IN YOU

Yes, We Are Very Grateful For Your Support

Dear Friends,

Twenty-five years is the merest blink of an eye in the life of Christ's Church, but for those of us who have lived through the founding years of MDM, it feels like quite an accomplishment. We're grateful to the Lord and to so many of you who have helped sustain us through these years: for the long hours from our volunteers, for the significant professional labor donations, for those who offer their prayer and sacrifices, and for all of you who have helped us to pay our bills. It all goes toward keeping the Mission gates open.

These years have also been a never-ending boot camp in discerning and obeying the Lord's Will for MDM. Father John Mary often says "Every day is a struggle, no day is easy."

That has been particularly true in these recent years since the publication of the Reconquest Messages and the actions taken by Church officials against Father John Mary and MDM. We believed in obedience to God we could not do otherwise. But sadly, for some people this was a point of departure and led them to discontinue their support of MDM. That's unfortunate, but we pray in God's time such estrangements will be healed and reconciled.

At the same time, other supporters, both old and new, sensed the authenticity of the Messages — both the crisis they were warning of, and in the HOPE they were announcing. For many, the Messages and MDM's actions were a confirmation of their own conclusions about the crisis in the Church.

We are very grateful to those of you who continue to support us, or have recently begun, or are even considering supporting us. We continue to trust in Our Lord and Our Lady's plans for the Mission, desiring to faithfully cooperate in the Reconquest of God's people and the Renewal of His Church. Your gifts help make that continued cooperation possible. Thank you.

For those of you who are not in a position to support us financially, we know that your prayers and sacrifices bear their own fruit in this Reconquest. We may not be able to count their worth, but the Lord can and does. And we are grateful.
